HIGH SCHOOL GRADUATION.

Exercises This Week Prove to Very Interesting.

BACCALAUREATE SERVICE.

This has been a busy week in High School events. On Sunday evening occurred the annual Baccalaureate service at the Congregational church, it being a union service. Rev. G. E. Atkinson delivered a strong address to the graduating class. As the class were ushered to their seats the audience rose to their feet.

Mrs. M. E. Luther and Miss Charlotte Davis each sang solos during the service.

CLASS NIGHT.

Tuesday night was Class Night and a large audience was present to hear this, one of the most interesting events of the graduation week. The assembly hall was gorgeous with the gold and cardinal of class and school colors. The program opened with a popular song by the Girls' Glee Club, which was vociferously encored.

The oration by Ernest Abbott was a worthy effort, the theme being the class motto, "Nihil Sine Labore," (nothing without work.) Mr. Abbott received the honor of delivering the class oration as a reward for superior excellence in scholarship.

The class history by George Righter was a clever production, abounding in witty and truthful pictures of his classmates.

The class poem, written and read by Miss Eva Sanderson was a very pretty piece of verse and much appreciated by the audience.

The prophecy, written by Miss Hattie Rubell and read by Miss Florence Kennedy, was a bright and thoroughly good humored disposition of the future of each graduate.

Miss Edna Briggs sang a beautiful air in a voice which revealed the careful training it has been receiving for the past months.

Miss Hattie Rubell for the class presented a panel containing pictures of famous authors with a pleasant little speech. The gift was accepted by the principal in his happiest manner.

The little sketch which pictured school life very realistically, at the close of the program was a source of great enjoyment, to the students in particular.

The music by the orchestra which filled intervals was much enjoyed. The members of the orchestra are Messrs. E. A. Powers, piano; Harry Fore and Calvin Bohnett; violins; Sidney Shaw, cornet.

THE ALUMNI RECEPTION.

The Alumni reception to the Seniors was held in Sorosis Hall on Saratoga avenue, the evening of Wednesday, June 20th. Mr. Crandall, the manager of Sorosis, kindly offered the facilities of the hall to the Alumni.

The hall was tastily decorated

That All Important Bathroom.

You have often heard people remark, "If I were ever to build I would plan my bathroom first and would not put all my money into the parlor with all its finery."

That's good common sense sentiment, for the bathroom is the most important of all the household. It's the Mecca of cleanliness, health and refinement, and nowadays many homes are judged by their bathrooms.

We would like to help you plan your bathroom and believe that we could surprise you by putting in a bathroom for you at a much less cost than you might expect and at the same time do it better than you anticipated it could be done for even more money.

We have a booklet "Modern Home Plumbing" which will show you how to arrange your bathroom, kitchen and laundry plumbing with "Standard" Baths and one piece Lavatories, the best plumbing equipment in the world. Call, write or phone for a copy. It is free.

by a committee with red geraniums, the high school color, wordwardia and pepper branches.

There were about seventy-five guests present and the evening passed pleasantly with games and conversation. A short program was arranged, consisting of music. Miss Charlotte Davis, a graduate of the '02 class sang sweetly "The Spring Has Come." Miss Della Archibald rendered two beautiful violin solos, accompanied on the piano by Miss Letitia Archibald. Mr. Harlow Plimpton pleased his audience by a baritone solo, "In the Purple Twilight." Miss Edith Copeland rendered "The Wanderer" in a charming manner.

Dainty refreshments of ice cream and Nabisco were served, after which the Alumni meeting was held, new officers elected and other business transacted. The graduating class were then duly elected members of the Alumni.

GRADUATION EXERCISES.

Thursday night the assembly hall was packed with relatives and friends of the graduates who had come to witness the closing exercises of the school year. The first number on the program after the Invocation by the Rev. A. H. Needham, D. D., was a charming song by the Girls' Glee Club, accompanied by the orchestra. It was enthusiastically encored. The address of the evening was delivered by Rev. W. T. Patchell, of San Jose. It was a most appropriate and scholarly address, holding his large audience with marked attention. His address should prove a great inspiration to the graduates on account of the high ideals held up before the class.

A selection by the orchestra was heartily encored.

A new custom has been introduced, that of awarding a prize each year for the best essay on a given subject. This year the Atkinson Historical Prize was, by the judges, Dr. C. N. Cooper, Dr. P. C. Hartman and Dr. Welty D. Miner, awarded to Miss Vera Fablinger. As Rev. George E. Atkinson stepped forward to present the prize he made a brief explanation of how he came to select the book which he had purchased in Los Angeles for the prize—"Spirit of the Pilgrims."

Principal Smith asked the class to rise and in a few well chosen words presented to J. F. Duncan, as clerk of the Board of Trustees, the class of thirteen and intimating that while it was considered an unlucky number, yet he did not believe it for was not the United States made up of thirteen original states? Mr. Duncan made a very pleasing talk to the class after which presented them with diplomas. As each diploma was given an exquisite bouquet was presented to each graduate by admiring friends.

The graduates are: Ernest A. Abbott, Edna M. Briggs, Mayre A. Canine, Easton Carter, Vera

B. Fablinger, Ralph H. Hyde, Florence Kennedy, Winnie Martinie, Panilla Nelson, Edwin Parker, George Righter, Hattie Rubell, Eva Sanderson.

OTHER EVENTS.

The boys' Alamo Fraternity was entertained at the home of Ralph Hyde on Prospect road, last Saturday night. This hospitable home is always a delight to visit and this occasion was no exception.

Wednesday afternoon Prof. and Mrs. Smith entertained the Senior Class at tea. As on former occasions this proved to be one of the most delightful events of the week.

Vasona to Have Electric Road.

The Mail is informed by a prominent electric railway official that work is soon to be commenced on the proposed line known as the Los Gatos and Mountain View or Mayfield cut-off. Although the right of way of this piece of proposed road has been supposed to be Southern Pacific property, we are now informed that it never has been such, and is now the absolute property of the San Jose-Los Gatos Interurban Railway Co., and that this corporation proposes to have the line completed within a year. The object is to make the cut-off line a part of the air line route between this city and San Francisco. Plans to bring the line from Vasona into Los Gatos are not yet perfected, or if so are not made known at present; the supposition is, however, that it will come along up the Los Gatos and Santa Clara road and connect with the present line at the corner of Santa Cruz and Saratoga avenues.—*Los Gatos Mail.*

The Coffee Club social which was to have taken place on the 26th, has had to be postponed again.

Those persons desiring to pay their poll tax before the first Monday in July, thereby saving a dollar, can do so by calling on E. C. Hurlbert, Deputy Assessor.

The Children's Day exercises last Sunday morning at the M. E. church were quite successful, the singing and speaking of the boys and girls was very good. The violin solo by Miss Littlepage was a feature.

This (Friday) morning a fire broke out in the Casino at Santa Cruz and before it could be controlled the splendid Casino building with the bath house and the Tent City restaurant across the track were burned, with a loss of \$150,000. Insurance of \$70,000. Rebuilding will begin at once.

Rev. J. W. Lewis has left for an extended visit with his sons and daughters in North Dakota and Minnesota and will visit friends throughout other sections. A postal from him on the Portland train at Keswick says: "Rough country; Shasta looks like it was all snow. We are running along a considerable stream (Sacramento). There must have been an upheaval here sometime in the distant past that would cast our quake as far in the shade as day surpasses midnight."

Illinois Patrons.

Illinois state grange has gone on record as opposing railway passes and favoring a two cent railroad rate throughout the state. It also favors the consolidation of school districts and the free transportation of children to and from the schools.

Already a dozen new granges have been organized in New York state since the secretary's last report. We anticipate at least twenty-five new organizations before Oct. 1, when the grange year ends.

One of the most effective of grange influences is the revealing to men and women of the capabilities they think they do not possess.

The Geneva (N. Y.) Daily Times gave the recent state grange meeting in that city from eight to ten columns a day.

Struck by an Interurban Car.

Monday morning as the 6:30 Interurban car approached the town it ran into the watering wagon which was being driven by J. H. Robinson. He was just coming out from his residence and not hearing or seeing the car coming he had driven upon the track, practically, before he realized his danger. Not having time to turn the horses he attempted to clear the track but the car caught the rear wheel of the wagon, tipping it over, the force of the blow throwing Mr. Robinson for some distance, but fortunately breaking no bones or otherwise seriously injuring him. He was picked up by the car employees and taken to the house and Dr. Cooper summoned. Mr. Chapin was also soon on hand to render assistance.

Mr. Robinson says he usually takes the precaution to stop and see if a car is approaching but thinking that the car had already passed on Monday morning he drove on without taking this precaution, the fruit trees hiding the view of the car.

The horses ran away with the forward wheels but were caught by Sidney Lancaster. The wagon was not badly damaged and was taken to the blacksmith's for repairs.

Campbell W. C. T. U. will meet with Mrs. Stratton of Sunnyside on Wednesday, June 27. A large attendance is desired. The program subjects to be considered are Health and Heridity. A visit from the newly elected county president, Mrs. Dorr, has been arranged for and it is confidently expected she will be present and speak on above date. Ice cream and cake will be served and a collection taken for the benefit of the Coffee Club. Let every member come and bring a friend or two. The electric car stops near the Stratton home.

If you knew the value of Chamberlain's Salve you would never wish to be without it. Here are some of the diseases for which it is especially valuable: sore nipples, chapped hands, burns, frost bites, chilblains, chronic sore eyes, itching piles, tetter, salt rheum and eczema. Price 25 per box. Sold by Farmers Union, Agent.

How to Break up a Cold.

It may be a surprise to many to learn that a severe cold can be completely broken up in one or two days' time. The first symptoms of a cold are a dry, loud cough, a profuse watery discharge from the nose, and a thin, white coating on the tongue. When Chamberlain's Cough Remedy is taken every hour on the first appearance of these symptoms, it counteracts the effect of the cold and restores the system to a healthy condition within a day or two.
